## **Obhrai Stands Strong for Human Rights in Burma**

**Ottawa** - Deepak Obhrai, M.P. and Parliamentary Secretary to the Minister of Foreign Affairs stood in the House on Friday to say,

“Canada strongly condemns the renewed detention order against her. This act shows the Burmese government's callous disregard for fundamental freedoms, democracy and human rights. We call upon the Burmese regime to immediately release Aung San Suu Kyi and work toward an enduring and lasting peace.

The Burmese people have suffered for too long. Universal condemnation has not produced any results. It is therefore time for the UN Security Council to become involved.”
